

Monique Renee Woods

January 28, 1965 - July 16, 2024

We are saddened to announce the passing of Monique Renee Woods on July 16th, 2024, in Bellingham, WA. Monique was born on January 28th, 1965, to Frances Dalton and Keith Day in Ann Arbor, Michigan.

Monique met her husband when she was part of a store's reset crew where Jack was the one that coordinated stores in the western part of the US. It was there that someone set them up on a blind date. They kept seeing each other and Jack fell in love with her and her 2 year old daughter. He asked her if she would travel to the next store with him and she said, "Yes"! Months later, Jack asked for her hand in marriage. They exchanged vows on April 5th, 1992, in Bellevue, Washington and together they raised their daughter, Jenny.

Monique held her family in deep affection, creating numerous memories, including anniversary trips to the ocean, where she delighted in the sound and sight of ocean waves from their hotel. She is known for her sociable and nurturing nature, her skill in handicrafts, and her love for photography and shopping, Monique was also recognized for her strong spirit and eagerness for new adventure. She regularly pursued new experiences and cherished moments with loved ones, including playing cards and board games routinely.

Most importantly in our memories stands Monique's love and concern for her family. Though sometimes perceived as overly protective, her instincts often

proved her right. Her care and thoughtful decisions showed her deep love in everything she did in her life and family. Top of Form Bottom of Form

“ I've enjoyed having Monique as a hair client for the past couple years! I'd always tell her jokingly that I didn't know how 'that much hair' could fit on one head! We enjoyed good conversation and each other's company! My love goes out to her husband and all that loved her! I'll miss you sweetie!
