“ I am very sorry to hear of you loss and wish to share with you a scripture at John 5: 28, 29, which states in part, that “all in the memorial tombs will hear his voice and come out”, yes a resurrection to life. May it be that the “peace of God that excels all thought . . . guard your hearts and your mental powers by means of Christ Jesus”.(Phil. 4:7) The Bible gives hope, a resurrection hope, for our love ones. John 5:28, 29 states that “all those in the memorial tombs will hear his voice and come out”. This is a sure hope, a real hope, that I too look forward.Please take care of yourselves, and each other. I Love you, but Jehovah loves you more.
