“ Dear Chris and family, I was saddened at the news of Carl's passing. I was truly blessed to have him as a friend and fellow Boeing-ite. I still laugh, when I think of him showing me how to 'get through the crowd' on our way back to the bus at Husky games. Then doubly blessed, to find that Carl was such a good friend of Peter's, when Peter and I married. The fun times at our home for our annual Christmas Party, and then to 'meet up' again at the beach. If I can be of any assistance at any time, please don't hesitate to ask.

Carl...

“ Dear Chris and family  
So Sorry to hear of Carl's passing. There are so many fun  
Memories  
I have enjoying the times with You and Carl. John and I enjoyed  
knowing  
Carl and being in Gyro. I remember when he took me for a ride in  
his little "Rod"  
That was much fun and he went very fast. Carl could Master almost  
anything  
he decided to do. He laughed and always had something to share  
with his  
friends. Please let me know if I can be of any help in helping you  
through this  
loss. It is not easy. Carl will be remembered as so Instrumental in  
the Seattle  
Gyro Club, forming it and taking part in every way. We were so sorry  
to see  
you guys move to Bellingham area. I know how much he enjoyed  
his new  
home on the beach. I am happy to know he will be enjoying eternal  
life at the  
Beach. God Bless you all and know he will always remain in our  
Hearts

“ Chris, we are so sorry about Karl, he was a nice man always stopped to talk when he was walking the dog and had a smile. All the neighbors will miss him. Glen really enjoyed his street rod when he drove it by. It sounded pretty Cool. They both liked old cars. The only blessing is that he isn't in pain and now at rest. God Bless him.  
Hope everything is going OK for you and you are staying healthy through it all.  
Love Anita & Glen
