“ *Nancy was always so welcoming and inclusive of me when I moved back to Lummi. She was always quick to smile or laugh. We had some good times just sitting around enjoying the company of family and friends. She always seemed to have a craft or a project going on and we still have a few of those blanket pillows she made that we curl up to in the evening. I loved watching her with her kids too. (they were just little then) What a good mama. She kept them in line but was very loving and involved with them. I can't imagine her gone. It makes me very sad for your little family Mike, Cara, Garrett and Jayven. I wish she could've been there longer. But I know she won't be far, she will find a way to continue to be there for you. Love and Prayers to all of you.*

“ *Nancy was always so nice to me. She'll remain one of my favorite people.
I will miss seeing her out and about.
May she rest in Heavenly peace.
