“ *Your mom was amazing! Bert, my family and I met Nettie in church several years ago. She was the first one to greet us every Sunday. I spent many Sunday mornings laughing and swapping stories with her in the Narthex. She always had a sparkle of mischief in her eye and I looked forward to seeing her each week. I will miss her.*

“ *So many fond memories of Nettie, Jack, Duffy and Gayle ... and the Nevada Street neighborhood. Good friends, good times. The Grim boys wore a trail on the sidewalk between our house and Nettie's. God's blessings to the family.*
