

## Pamela Francine Crow

July 20, 1965 - April 7, 2026

Pamela F. Crow passed away surrounded by the love of her family on April 7th, 2026. She graduated from Chemawa Indian School in 1985 and continued her education in Missouri and at Bellingham Technical College. Pam, known to many as “Mama Pam,” was a loving and steady presence in the lives of those around her. She was humble, warm, caring, and always welcoming. She had a way of making people feel like family, often taking others in as her own sons and daughters.

Her family’s favorite memories include traveling together to basketball tournaments and spending time in the kitchen. She loved cooking with her grandchildren and passed down traditions like making blackberry pies. Pam was known for her beadwork, her stir fry, and especially her frybread, which many say was the best.

Pam loved gardening, going on walks with her beloved “fur babies,” and supporting her grandchildren at their sporting events. She was always on the move, whether cleaning, cooking, or planning the next activity with her family. Above all, Pam deeply loved her grandchildren and her animals. She will be remembered for her strength, her generosity, and the way she cared for everyone around her.

She will be greatly missed and lovingly remembered by all who knew her.
