

## Pamela Sue Pattison

May 5, 1948 - July 25, 2025

It is with great sadness we announce that Pamela Pattison passed away on July 25th, very peacefully, surrounded by her family. Pam was born on May 5th, 1948 in Bellingham to John and Kathleen Jansen. When she was young, because of her dad's work, they were able to live in Fairbanks, Alaska and Knoxville, Tennessee, both of which she fondly remembered. She graduated from Meridian High School in 1966 and she was proud of being a cheerleader her senior year. Later she was an escrow officer for Ticor Title and made many friends in that business.

She was very close to her children and grandchildren, and spent some wonderful times with them in her later years. She was an avid gardener and landscaper. She also had a very good eye for decorating and could have been in home design.

Pam will be fondly remembered for her ability to tell stories of her adventures in life, hosting family gatherings, and her strong love for her German Shepherds: Esther, Kaija, Tazia, Panzer and is survived by Zhiva. She loved the water and was blessed to have lived the last 22 years in beautiful Birch Bay boating, crabbing, and walking the beaches.

She was preceded in death by her parents, grandparents and granddaughter Stephany Weston Vanderwoude. Pam is survived by her husband Ned and

her children Eric Whitehead and Kimberley Hansen. Siblings Tami Gilbert, Dan (Lori) Jansen, Mitch (Jennifer) Jansen, and Jen (Fred) Brighton. Grandchildren Kendra (Jerrod) Bennett, Payton, Christian, Madison (Andrew) and Kimmie Hansen, Tori (Andrew) Baker, Erika Whitehead, and great granddaughter Mya Vanderwoude.

There will be a celebration of her life at Moles Farewell Tributes at Greenacres Memorial Park in Ferndale, August 15th, at 1 pm.

# Tribute Wall

“ Today would have been Pam’s 78 birthday. Remembering her as a good, fun neighbor and friend, when she and Ned lived next door to us in Bellingham. I am glad that I was able to see her one last time in their Birch Bay home, but still sad about her passing. Sending love and good memories to her family.
