

## Patricia "Patsy" Rose Solomon

March 17, 1962 - October 15, 2020

Patricia was born and raised in Bellingham, Washington (Lummi Nation).

Patricia had a huge heart and was a loving sister and aunty. She would often step in to be the "second mom" to many nieces and nephew, and some not even family.

Patsy was a content person, she enjoyed just being home where it was safe, warm and in the company of her little niece Aleighleah, (A-Lay-Lee-Ah), Sister Babe and Rudes watching TV, the Price is Right was one of her many favorites. We are going to miss her yelling at the TV.

If we all (Brother Troy and Sisters) had to choose a single word to describe sister Patsy it would be Sassy. She was a sassy little individual, who didn't take any guff from anyone.

Everyone who knew Patsy, knows of the deep loved and was beyond a dedicated wife to her late beloved mate Arthur. She was by his side through thick and thin, good times and bad, sickness and health. She treasured family and embraced every moment when she visited us all.

Patsy is now on her journey, she will be received by some amazing family who journeyed before her. The love of her whole life Husband Arthur Paul Solomon
