August 18, 2021

Paul was born in Bellingham, Washington on June 21, 1948, a son of the late Arthur “Art” Todd and Mildred (Krick) Todd.

Paul was an avid fisherman and loved to find this next fishing hole or lake. When not enjoying the outdoors, Paul spent time with his family and his favorite four-legged companion “Baby”.

Paul graduated from Mount Baker High School in 1964. After High School Paul went on to join the United States Navy and served his time on a destroyer for 3 years.

Following this time in the United States Navy, Paul worked at a local lumber mill as an equipment operator in Everson, Washington where he met his wife, Margaret. After 30 years of dedicated service, he retired from Selco Lumber.

Paul met Margaret Todd in 1980. They married July 17, 1982 in Acme,

Washington at Paul's parents ranch. Together they raised three children: Shelley, Tammy & Danny. Paul also has a daughter, Tracey Todd from a previous marriage.

Paul is survived by his wife, Margaret Todd (Ferndale, Washington) and four children, Shelley Sanchez (Ferndale, Washington), Tammy Kuchenreuther (Ferndale, Washington), Danny Park (Austin, Texas) & Tracey Todd, (Maple Falls, Washington), along with two siblings, Kay Larrabee (Thorndike, Maine) and Mike Todd (Alaska), as well as a nephew and nieces.

Paul was very kind and loving to everyone around him. For all those fortunate to have connected with him, he will be truly missed.
