“ Dear Pamela,I don't know you personally, but know you as my Spanish teacher in a community education class at WCC. I really valued the expertise you brought to the class and how you challenged me to learn more. When I read about the accident, I remembered you. My heart goes out to you as you deal with this tragedy. May the peace of God, and the love of family and friends sustain you now. You are in my prayers.

“ Dear Pamela, Santos and Erica and family I am so sorry for the loss of Phillip and Penelope. I remember you as a little girl, Pamela. When I received a text from my co-worker, Rick Keyes that Santos' daughter was involved in this terrible accident, I instantly replied that I hope it wasn't Pamela. Again, I am so sorry. I will see you all tomorrow and pray for peace and comfort to you and your family in this time of loss.
