“ *We love you Grandpa and miss seeing you. You were an amazing man and an even better Grandpa. You made us smile and laugh each and everytime we were around you. Our hearts are happy knowing you were happy and enjoyed life. You being gone still doesn't feel real and it never will. We all missed seeing your smile on Easter. It was the first holiday without you there but you were there in spirit and in our hearts. Not a day goes by that I don't think about you and I dancing at our wedding to the Butterfly song that you wanted to hear play that day. I will cherish that moment for forever. I tried to convince mom to play 'Smoke on The Water' at the end of your service this weekend but she wasn't having it. Don't you worry, I'll make sure it gets played at some point! I love you so much Grandpa! We'll be thinking of you.*
