

Phyllis Charlene Roberts

February 4, 1948 - December 18, 2021

Grandma Char was the most selfless person, always thought of others before herself.

She had an amazing green thumb, she could grow anything. She loved to bake especially Christmas cookies. Her faith and belief in the Shaker Church was powerful. The way she lived her life was based on her faith. When she spoke, her words were full of wisdom.

Some of her fondest moments were being with her grandkids & great grand kids, they felt loved. Always told everyone the importance of prayer, she was a praying woman.

She liked to craft and go down to the creek. Her legacy will live on forever with the people she came in contact with especially the loved ones.

A prayer service will be held Tuesday, December 21, 2021 at 6pm and a funeral service held on Wednesday, December 22, 2021 at 10am. Both services will be held at the Nooksack Community Building.
