“ *Phyllis was a truly amazing lady. She always had a smile on her face and never a hair out of place. We were priviledged to call her friend. Phyllis – I will remember you every time I check out our eagle website or happen to see one flying. We had such fun talking about what they were doing. Just one of my memories. Walt & family – there are no words that will ever take away the pain. You are in our hearts and our prayers. She was special and will be remembered always.*
