“ I had the pleasure of being a friend of Randy’s at a local Fellowship ministry at Misawa Air Base. (See Char’s contribution above.) Randy was one of the most positive people I’ve ever met. Always a kind word. I also had the pleasure to spend time with him “off duty” while hiking with him up Mount Fuji. Randy was the type of person that if you knew him, you’d like him instantly. A rare breed. I enjoy looking back through old photo albums and seeing his smiling face. Randy left his mark on our hearts. Rest in peace, sir.

“ My husband and I knew Randy back when he was a young airman in the Air Force stationed in Misawa, Japan. We directed a Christian ministry off base and he spent several days of the week at our house. He was quiet yet so much fun. Its been years since we’ve seen him yet my heart fills so sad to know he is gone. There is no doubt that he had a relationship with Jesus and is with him now.u
