“ We will miss Randall. He was an awesome person! We knew him from his job and he always made you feel welcome and knew what you wanted before you did! Still remember when he called the house to make sure our son could use our debit card. :) He had a great sense of humor and we will miss him.

“ I worked with Randall for eleven years at Sammys place. Randall loved his job and took his tasks very seriously. He held everyone accountable to make sure they were equipped with proper identification. No one got past the 'Sheriff' a title he was very proud of. Not everyone got his unique sense of humor, but he has left behind some life long friends in this community. My heart goes out to Randalls family. God bless you Randall and may you now be with family.
