“ I just found this posting and am saddened to see that my father ray has passed. More hurt that i was not told. I am his first born child of his first wife Emma Marie Jones Young. She was 16. They were married in grandma and grandpa Young’s house on delta. I have pictures. I was born 10/25/52. Ray went into the military and divorced my mother after his Christmas leave. He never visited me once in the last 62 years and never answered one of my letters. Life is sad sometimes! I mean no one any harm but it is past time for acknowledgement. Grandma young helped me to prove my DNA. Years ago.
I ask you for a picture of my grandparents and a few family history facts. For my grandchildren.

“ My sincere condolences to Ray’s family and friends. May you find comfort and hope in the promise at Isaiah 25:8 where it says “He will swallow up death forever, and the Sovereign Lord Jehovah will wipe away the tears from all faces.” I am truly sorry for your loss.
