“ Ray was my brother-in-law, and I knew him since 1958. He was always full of life and fun. He was a wonderful husband, father, grandfather and member of society. He will be missed by many. Rest in peace, Ray!

“ Ray and his family were very special friends and neighbors to us. First, Kim was in my second grade class at Silver Beach. She was a delightful student. Then, we moved across the street from them and Ray and JoAnne were my children's daycare/babysitters. They had our son for four years and our daughter for three years. It was very special for our daughter to be Jodi's flower girl in her wedding. Ray was always cheerful and involved in family and neighborhood activities. He would help everyone! We were fortunate to know him and his family.
