Richard Arthur Paul Solomon, a beloved husband and father, passed away peacefully on July 23, 2024 at the age of 37. Ricky was the husband of Carol Mavis Tom and a devoted father to his children, Corrine, Catrina, Terilyn, Stephann, Jay-bee, and Gene Solomon.

Born January 9th, 1987, Ricky dedicated much of his life to his family and his work at the Silver Reef Casino. Outside of work, Ricky found joy in spending quality time with his family and crabbing. He was also committed to mental health awareness and took care in attending to his own treatment needs, and dedicated himself to everything he did in life.

Rick was pre-deceased by family members Victoria Lynn, Stephen Solomon, Arthur Solomon, and Ruth Solomon, who gave him his Indian name.

His memory will be honored by his surviving wife, Carol Tom, his children, his father Richard "Hutch-Ak-Whil-Ton" and step-mother Jolene.

Rick will be deeply missed but remembered for the love he shared and the lasting impact he made on those around him.
