“ Even though not mentioned I am Uncle Bobs niece too. His brother Albert Washington Fletcher died in 1988 just 3 months after his mother. I have one full sister Jamie Fletcher of Mexico as well as four sisters by my father Sarah, Janet, Becky, Claire and my brother Andrew. When my father died all of a sudden we didn't exist in the Fletcher Family, but Uncle Bob always remembered us. I spoke to him just a couple of years ago and he reminisced of family wrongdoings with me. Sad. Very sad over this loss.

“ Remembering my Uncle Bob...and am thinking about how much he is enjoying his Dad's company right now. Uncle Bob really missed Grandpa!  
My mother, Mary Jane Pedersen, wanted to include as Uncle Bob's survivors, his late brother, Albert W. Fletcher, Jr., niece, Jane Wood, nephew, the late Bart Wood, and myself, niece, Ann Pedersen.  
My heartfelt condolences to all those who loved Uncle Bob...
