In Loving Memory of Robert "Bob" Rinehart

Robert "Bob" Rinehart, a man of strength and devotion, passed away peacefully on Tuesday, May 21, 2024, leaving behind a legacy of love and loyalty that will endure through the ages.

Bob graduated from High School before serving his country in the military. He eventually found his way into carpentry and then became a dedicated machine operator at Samson for over 35 years. To Bob, Samson wasn't just a workplace; it was his second family.

Bob was a rock to his wife, Karen, and was the pillar of his community. His greatest joy was found in the simple moments spent with his beloved wife. He was always heard saying, "Look out for my baby." Their love and devotion drew others to them in friendship and joy. Bob also enjoyed hunting for treasures with his Treasures.

Survived by his cherished wife Karen, daughter Sabrina Keightley, Kathy Lamphiear, as well as his sister and three brothers, Bob will be deeply missed by all who had the privilege of knowing him. He had a caring devotion, and he was also bullheaded and head strong. He thought duct tape was a band aid. These memories will last, bringing comfort to those who mourn his loss.

A private celebration of Bob's life will be held for the family. Please contact the family for more information. Rest in peace, dear Bob. Your love and legacy will forever be cherished.
