

Robert Wallace "Rob" North

September 25, 1967 - July 13, 2024

Robert Wallace North, born on September 25, 1967, in Spokane, WA, to James Wallace North and Roberta Lynne Paine, passed unexpectedly on July 13, 2024. He is survived by his best friend, wife, and the love of his life for over 31 years, Paula, and his beloved sons, Landon and Bryson. He is also survived by his loving parents, Jim and Roberta, and his siblings Scott and Bonnie.

Rob is greatly missed by an extensive community of friends who also became his family. He was known for being ready and willing to be there for anyone who needed him at any time.

He was born in Spokane but moved to California, where he grew up surfing and playing soccer. In 1985, he moved back to Washington and then to Bellingham to attend Western Washington University, where he studied Biology and graduated in 1998.

Rob was a successful local business owner who started Master Rentals with his dad in 1989, Premier Tents in 2003, and Gravipod in 2016. He was a brilliant and creative inventor who held seven patents for his innovative Gravipod weighting systems.

Rob loved everything to do with being outdoors! He enthusiastically embraced

dirt biking, skiing, fishing, hiking, and his all-time favorite activity – mountain biking. He especially loved sharing his joy of these things with his family and friends. Rob's interests were diverse, and he was a natural-born problem solver who always wanted to leave things better than he found them.

He took every opportunity to ride the local trails and was an avid supporter of the Whatcom Mountain Biking Coalition (WMBC). In lieu of flowers, please consider a donation to the WMBC at <https://www.wmbcmtb.org/donate-now>.

A celebration of life is scheduled on Saturday, August 3rd at 1-3PM at Moles Farewell Tributes – Bayview Chapel located at 2465 Lakeway Drive in Bellingham, WA. PNW Casual Attire preferred.
