“ My dear, wonderful, intelligent, generous, funny, loving Brother.. we have known each other since birth..my twin.. we were born tiny and fit into one incubator together... and that's were we started out. He was always by my side .. and in my heart.. even when we were apart and did not live near by. We always stayed in touch. He helped me move about 10 times in my life and was always there for me. We had so many fun adventures. I loved visiting him in Bellingham..it was always a party!! Sharing great food, playing games.. watching Jeopardy.. and reminiscing about old times. We kept in touch pretty much every day.. by text ..with a Happy Happy day.. or phone..
If I was thinking about him..I would get a text or phone call.. it was the twin connection..
and he would send my so many great gifts..sometimes like 5lbs of candy..or a box of meat to last me a year .. so Generous!!! I will miss him so much.. it is unimaginable.. I Loved him so much. in reading about him ..he was an even more wonderful person than I knew. Thanks everyone for the kind words, your help and support..there will never be another Roland. Love you brother and will always be with you forever 💔

“ I’m truly devastated, i’ve known Roland most of my life. As we started our journey as friends in high school going to see Star Wars four times in a row going Halloween parties dressed as Dan Aykroyd Roland has John Bellucci. Fishing and hunting. We both started in the car industry working at a little shop in West LA called anything motoraccessories, then we ended up Zender NA I can go on and on. have so many memories with Roland I can’t write down here, but I will cherish for the rest of my life to the memories I’ve had with Roland. . Diane, Kurt and Laura. I’m truly sorry for your loss as a loving husband and father !! 🙏🙏🙏
