“ I always remember going to visit Uncle Russell and Aunt Izzy. They always were so welcoming. He was always there with a big smile on his face! He will be greatly missed by all!

“ Every time I would see Uncle Russell and Auntie Izzy I would walk up to say hello. Uncle Russell would get that little smile on his face and say, “Hi Jody” and Auntie Izzy would say Russell that is Gertie and he would say “I know” One day all three of us were at the Wexliem and Uncle Russell walked in, I grabbed my sisters (Jody 1, 2, & 3) and went up to Uncle Russell for the usual helo and he stopped with the same grin and said, “Hi Jody, Hi Jody and Hi Jody” as he looked at each one of us and then laughed because he knew exactly who each of us was but that was his litte joke. Love him so much, he has been my Uncle every since I can remember.

“ Dear Isabelle, I remember you and Russell when my parents brought us there to visit you. He was a very gentle and kind man. You were a very beautiful lady. Years later when I had my own child I brought him there to meet you and Russell. Russell was very friendly with the little children. A very sweet man and I am sure he will be missed greatly.

“ Isabelle, I just read about your dear Russell, and my heart aches for you. I just loved waiting on you two when you would come in to Hong Kong Garden. What sweet, kind people you both were and I am so sorry about Russ's passing. I will always remember him as the kind, fun person he was. Sending my love and sympathy to you and all of Russell's loved ones! Kathy
