“ I was so sorry to read of Russ’ passing. Russ and I had a shared love of hockey. He and Millie and I were billets all the way back to the early Bellingham Blazer days and during the Ice Hawk days. We played hockey together in the men’s league for several years. I loved to hear tales of his times playing in the Snoopy Tournament put on by Charles Schultz in California. We will all dearly miss Russ and I wish him love, peace, and a great sheet of ice for his new beginning. For his family,my wishes for peace and blessings.
