“ *Auntie Ruth,  
I have beautiful memories of the wonderful times we shared and the lessons you brought into my life. One time we drove across portage in my Chevy Love, wat an odyssey that was. I laugh when I think of that. Another memory, we were pulling yellow cedar was, way, way up past the ice zone. I realized we were in Canada. I loved the stories and the teachings you so gratefully shared. Always in my heart. Always in my prayers. Rest Peacefully Auntie. Until we meet again.*
