

## Ryanne Amelia "RyRy" Garcia

July 12, 2022 - October 28, 2022

RyRy touched the lives of her entire family with her big sparkling eyes. She was a bubbly, happy baby who loved bath time with head massages and to gaze and smile at her fan and colorful carousel.

She was a playful little sister and lit up when big sister Riverlynn was around. They loved to play, laugh, and spend every minute together. A very special memory of RyRy and Riverlynn is that every single morning and night, not one missed, Riverlynn would lovingly rub her baby sister Ryry's face, and they would look deep into each other's eyes for long periods of time. Even during playtime, Riverlynn would stop to check on her baby sister and be sure to rub her face.

RyRy enjoyed going to the park with daddy, mommy, and big sister, and then snuggle up being wrapped onto mommy while cooking and cleaning after a long day outside.

RyRy was a beautiful girl, her sweet smile, her deep stares, and her touch will be forever missed. God granted us an angel baby. Although our time with her was cut short, she filled all her family's hearts with love and joy. She will forever be our tiny angel baby.
