“ Dear Tina and Jennifer,
I am so sorry for your loss. I will always remember my Baby Sister,
her laugh, her big brown eyes, and dimples. I send my love to you
both.

“ To Tina, Jennifer & family. I worked with your mom for over 15y at
SJH & we stayed in touch over the years. We shared hard work,
family stories as we watched our kids grow up...sharing a ton of
laughs along the way. Truly one of a kind with a fun spirt & heart of
gold. God bless you all.

“ I have tried to write this a few times and the words just will not
convey what Sandy meant to me. We were best friends and worked
together at the hospital tfor a long time. We were there for each
other through thick and thin and could always make each other
laugh. I can't even say how much I miss you but I know you are pain
free and with Russ now. I love you.
