

## Scott Eugene Bierne

October 4, 1968 - August 26, 2018

Scott's grandparents took him in when he was a sophomore in High School, and they worked with him to bring his grades up and taught him to be a good Christian man. When he graduated from High School they traveled around the United States together, as well as raising poodles and exploring Washington's lakes. He and his grandparents had many good times together. He took care of his Grandmother and Grandfather at the end of his Grandmother's life. Lake Whatcom Center helped Scott get through such a difficult and terrible loss. Scott's wishes are for any monies to be sent to the Whatcom Humane Society.

A private burial took place on 9/13 at Greenacres Memorial Park.

“ I am very sad to hear of Scott's passing. I knew him from our days at Hillcrest Chapel. He was a kind soul with such a warm smile. I'll never forget him. Love and hugs to his family and friends. May God bring you comfort and peace.
