“ Dear Karen and family,  
Teriva and I are very saddened to hear of Susan’s passing. We both had many wonderful memories of growing up in Ladner and visiting you after moving to Bellingham. We are very sad to have lost contact with you and Susan over the past few years. Her passing has touch us very deeply. We have been sharing the memories with each other and regret the lost years of a childhood friendship. Please feel free to contact us as we would love to see you again.
