“ You always remembered Syndee once you met her. It was her beautiful smile and her radiant spirit. We went to high school together, and I'm sorry it's been so long since we last saw each other. I hope and pray for her family and friends who have had to let go of such a lovely person, until you meet again.

“ Marina and Family, I am so sorry for your loss. I try to keep track of my Lummi friends and Family. I remember you and your family were probably one of the first we saw at the mobile dental clinic behind the old medical clinic. I remember Syndee because she was so beautiful and sweet. Keeping you in my thoughts and prayers.
