“ *No words can express how shocked and saddened we were to hear about Tami's death. Such tragedies are so difficult to bear and even harder to understand. Tami was such a special part of our lives for so many years and will be missed. May you find comfort and peace knowing she is in a better place. We are so sorry for your loss. Love to all!*

Be assured that the God of all comfort has Tami tucked away in his memory too. May he console you with the positive hope of being able to see her again on Earth. (Psalm 37:10,11,29)*

“ *When I think of Tami, I think of her laugh and it makes me smile. I think of her always wanting what she couldn't have. She was a good friend, more like a sister to me. I feel a heavy weight on my heart knowing I will never hear her laugh again. Or see the goofy stuff she always did. We did a lot of stuff together back in the day and we always had a good time. She will always be in my heart and I miss her deeply. I love you Save a place in heaven for me!*
