

Thomas Michael Jefferson

May 3, 1967 - June 14, 2020

Born May 3rd 1967 to David H Jefferson III and Adrienne Scates Jefferson in Bremerton, WA.

Tom spent his younger years as an operator at BP Refinery and Alcoa Aluminum Corporation in Ferndale. He had a longing to be on the water and he accepted a voluntary layoff after 15 years at Alcoa to become an avid Fishermen and Crabber.

He had a love of Softball captaining several teams from Lummi. As his children grew he along with his best friend James Scott Sr. coached many children in Lummi Baseball and Football. Tom with his own money would care for the ball field up by NWIC so children and softball players could play the game he loved and again as his children became older, they as well played alongside their father representing Lummi.

Tom introduced Jim Sandusky to then Chairman Darrell Hillaire and the late Larry Kinley, that was how the Blackhawks sports program began within Lummi Nation Schools around 2003.

Along with fishing and Softball he enjoyed the mountains hunting with his late great grandfather John Henry, his late grandmother Evelyn, along with his father, brothers and later his children taking yearly trips to Republic and

Winthrop in Eastern Washington and the hills around Whatcom and Skagit counties.

Tom also enjoyed rock concerts, vacations and even enjoyed beading. But most of all it was his grandbabies that he lived and worked for.

“ *I remember Tom, Alvin, Char-and Charlie, The crazy spiritual siblings! The happiness of being at a gathering together and singing for each other. Their NDNs healing each other with songs and laughter. My thoughts and prayers are with his parents, siblings, children, my spiritual sisters and his spiritual siblings. I pray that you will find peace in this dark time. May the creator dry your tears. May the creator walk with you now and always.*
