

Truman John Anderson

Truman John Anderson left us on Tuesday, April 5, 2022 at his home. He was 20 years old.

Truman was born to Jeremy and Tanna Anderson on November 22, 2001. He came home that Thanksgiving Day little brother to Natalee and soon became big brother to Trinity. Truman was full of life and love. He was goofy, loyal, loving, kind, thoughtful, and appreciative. He loved his family. He loved his friends. He was amazing with kids and he loved animals.

It's impossible to write your own child's obituary and even more impossible to sum them up in a few short paragraphs so we won't even attempt it. If you knew him, you loved him.

Please join us for a memorial service on April 24, 2022 at 1:00 pm at the Deming Logging Show museum.

Please bring your favorite picture of him or write your favorite memory or both and share with us. We will have a basket at the door to put them in. This momma wants to see every picture of her son.

In lieu of flowers, we have a Venmo memorial fund set up: @Tanna-Anderson-
