

Ulf Göran Hansson

April 7, 1941 - December 29, 2019

Ulf Göran Hansson, age 78, passed on on December 29, 2019 in Bellingham. He was born on April 7, 1941 to Uno Hansson and Ellen Karlsson.

He was preceded in death by his parents, and his wife Jeanette of 27 years. He is survived by his adult children Christian, Malena, and Bennett Hansson, stepdaughter Jennifer Sharleville, and grandchildren Sondra Hansson, Calvin Rehnqvist, and Nils Kingue-Moudio-Hansson.

Ulf graduated Tycho Brahe technical school in Helsingborg where he earned an engineering degree. He worked as a engineer specializing in refrigeration and more importantly as an inventor of innovative industrial food processing equipment. He founded both Hansson Mechanical Systems and Tech-Roll Inc. which he ran with his late wife Jeanette.

Ulf was laid to rest beside Jeanette at Greenacres memorial Park in Ferndale, Washington.
