“ I loved my Uncle didn't get to see each other much but when we did we never quit catching up on things. He loved to tell me some of his experiences when he was with my Mom (his sister) & Dad we would laugh I just loved it. The Last time Kenny and I saw my Uncle as we were starting to leave he said you know last time you were going to sing for me and you didn't so can you sing for me now. So we did it just makes me smile when I think of that. He use to tell me how I reminded him of my mom. These are memories I will never forget . He was a Wonderful Uncle our Love and Prayers go out to the family. Vicki & Kenny
