“ I have know Vincent from when I was a young girl and had the pleasure to play softball on a co-ed team. There is a cute story that I want to share with the family. My daughter Kelly was only 4 and we had a tournament and Vince came to the game and had on brand new white tennis shoes, she heard everyone teasing him about his very white shoes and started singing “Lady bug, lady bug fly away home your house is on fire and Vince has new shoes” her and I have always remembered this, when we think of Vince I have a good laugh over his new white shoes. When he retired I would be at a game and there he would be way out on the side lines watching. I know he loved the game as much as I did, it gets in your blood. He will be missed, god bless his soul.
