“ Dear Mom, You were the best! I have missed you for many years as you journeyed through the later years. The person you were, you are now again, with your new body and mind. Thank you for molding me into the person I am today. I value all the teaching moments in my life and the support you and papa gave me. You will be missed and I hope you are happy with the way we carried out the request for your last days on this earth and we thank you for making it so easy on us. You are an inspiration to many and will be missed here in this place. I miss and LOVE you like crazy. Your loving daughter, Leslie

“ My deepest sympathy to Wanda’s family and friends. May you find comfort and hope in the promise recorded for us at Revelation 21:4 where it says “And he will wipe out every tear from their eyes, and death will be no more, neither will mourning nor outcry nor pain be anymore. The former things have passed away”. All the best wishes for your family at this difficult time, I’m truly sorry for your loss.
