“ Hard to believe it's been 5 years since you left us Bill. Miss your laugh, your sense of humor, and our visits at the Condensary Pharmacy. Rest in Peace William.

“ So sorry to read of Bill's passing. I had lost track of him over the years, but I have many fond memories from the 60's. He was the best man at my first wedding in 1964. Good times, good friend. Again, condolences. Dick Parker

“ I am so very sorry for your loss. I send my deepest sympathy. Bill was my pharmacist since I was very little @ Bert Robinson and then when he had Condensary Pharmacy in Mount Vernon. He was not only our pharmacist but a very, very special friend and person. I was so sad to read he has passed. I used to take him treats and homemade ice cream. I just love this man!! Loved to talk about cars and the faster they were the better which we both agreed on. I have been so blessed to have Bill as part of my life. Again I send you my deepest sympathy and God bless your family. RIP Bill!!! Thank you for sharing such a wonderful video of Bill's life.
