Memorialization

passed before us. Your loved one's remains can be perma-
nently memorialized with a grave marker. Ask us about
grave markers or permanent vases.

Veterans Entitlement Program

Greenacres Memorial Park will provide free interment space
to all eligible Veterans who register in advance.
In addition, we can arrange for acquisition of VA markers,
arrange for honor guards, and burial flags.

Stillwaters Cremation Garden

Stillwaters Cremation Garden provides a beautiful and
peaceful location designed specifically as a perpetual resting
place for cremated remains.

The Meadow

We are honored to introduce The Meadow, the first Natural
Burial Ground in Western Washington.
Certified by the Green Burial Council, The Meadow allows
families the option to lay loved ones to rest in a serene and
natural environment.

A SUMMARY OF FLORAL REGULATIONS

These regulations are designed to preserve the appearance and dignity of garden and mausoleum areas that mean so much to so many people.

Grave (both casket and urn size) crypt and niche decorations should honor the dead;
when they lack beauty, order, and neatness,
they fall short of this goal.

*Decorations that are marked with a Yellow Zip Tie will be held at our facility for a Maximum of 45 days. To obtain a Yellow Zip Tie, please visit our office Monday-Friday, 9:00 AM—4:30 PM. Any decorations not marked will be disposed of immediately. Moles Greenacres will not be liable for any decorations left in the park, whether marked by a Yellow Zip Tie or otherwise.
